A Message from the President

May 2018

Hello members and associates of ECARA,

I'm so grateful the flea market is finally behind us. It was a lot of work and a lot stress. It was also a major success. For more about the flea market please check out the wrap up article later in the SinePost.

Our next major club activity, which takes place Friday June 22nd thru June Sunday June 24th, is Field Day. At its core, this event is the single largest emergency communications exercise in the United States. To make things much more interesting Field Day is also a contest. There is so much to this event that I'm going to write a "what is Field Day" article for the next SinePost. ECARA will be setting up for Field Day at the Pomfret Recreation Park.

The Woodstock Road Race will be our next public service event. This race takes place Memorial Day morning. If you have never operated a public service event you will be paired with a veteran operator.

The contact between the Ashford School and the International Space Station is scheduled to take place during the week of September 17th. ECARA is playing a major role in this event. Four operators from our club will be setting up the radio stations and acting as control operators for the contact. The students at Ashford School are very excited about this contact. Their teachers have worked it into the curriculum all year.

Hope to see everyone at the next meeting.

73,
KA1MPG
Jon Fournier

Flea Market wrap-up by Jon KA1MPG

Thank you to everyone who helped out and made the ECARA flea market happen. It was a major success. We had a plentiful supply of vendors. There were a total of 39 tables reserved.

Even with almost constant rain we had a large crowd the entire time. The Raceway Restaurant proved to be an excellent location. There were only minor complaints about the lighting. We've been invited back there next year. I strongly recommend we take them up on their offer. I'll be making that recommendation at the next meeting.

Thank you to Pat Weimer for finding the location for us and making the arrangements. Thank you to Vinny KB1JDX for running the VE session. I believe we had 3 examinees.

Here is a breakdown on the money taken in and the expenses:

Club table	\$461.00
Raffle	\$205.00
Admission and tables	\$744.00
Total Cash	\$1,410.00
Total Checks	\$96.00
